Amid the setting of gay, colored gowns and lovely girls, the Miss Chilhowie Beauty Pageant was held Saturday, September 21, in the C.H.S. auditorium. Fifty-one girls, from grades 10-12, participated in this annual event sponsored by the Guidance Department.

A new addition — escorts for the girls — was introduced this year as well as a new M.C. — Mr. R. Dwight Barker. The big moment arrived when Tammy Sturgill was crowned Miss Chilhowie. Lisa Hale and Kathy Heath were chosen as first and second runners-up, respectively.

Cheerleaders "Move On"

Joleen Bryant, varsity cheerleader, gets "a pie in the face" from Mr. Ron Ball while Mark Casey awaits his turn during a special pep meeting.

Seniors show school spirit at a special bonfire that was part of the homecoming activities.

The Varsity cheerleaders were chosen by cheerleaders from Milligan College, S.C.A. members, and teacher ratings. The eight girls selected attended a camp at Virginia Intermont College during July. While at camp, they received one excellent and two superior ratings.

The cheerleaders began their activities during the football season. The girls helped with Homecoming activities which included honoring the parents, a bonfire, and a pep rally on the football field.

The girls were also active during the other sport seasons.

Above, Mr. Jim Hall, a student teacher from Emory and Henry College, helps the cheerleaders at a pep rally.

Instead of having floats this year, the S.C.A. honored the alumni at a reception before the

football game with Honaker. The class of '64 was chosen to receive special recognition. Parents of the football players were honored preceding the game. At halftime activities, Kathy Sturgill was crowned Homecoming Queen by co-captains Eddie Hayden and Donnie Tilson. A sock-hop, sponsored by the S.C.A., followed the game.

“HILLBILLY WEDDIN’ ” Is Presented

The Junior Class presented a three-act comedy entitled “Hillbilly Weddin’ ” on December 12 in the C.H.S. auditorium. The fun began when Maw (Norma Canter) and Paw Belsnickle (Kevin Elswick) decided that their eldest daughters should get married. Paw uses his gun to find the necessary husbands. A lot of confusion resulted, but finally the daughters were married.

The play was directed by Mrs. Mildred Clark, Miss Elizabeth Love, Larkin C. Phillips and H. C. Carter, Jr. Mike Groseclose was student director.

Senior Class Presents "Meet Me In St. Louis"

Lights! Camera! Action! No, this was not the sound stage of a movie studio — it was merely the Senior class presentation of "Meet Me In St. Louis" on April 3. Water bombs, bites on the leg, and stuffed dummies were just a few methods the mischievous Smith children used to prevent their moving from St. Louis.

Mrs. Jean Hamm again served as director. Bebbie Clark was student director.

Seniors Tour D.C. And Parts Of Virginia

On the way to our nation's capitol, the seniors toured Monticello. While in D.C. students spent one evening at the Kennedy Center watching a play starring Douglas Fairbanks, Jr. On the night before their departure, they enjoyed a boat ride on the Potomac River.

Friday the group headed back home without incident except for the fact that Miss Snavelly now has a considerable water gun collection.

Look Behind The Scenes At Student Services

The Chilhowie High School Administration and Staff provide valuable services to the students and faculty. In addition to handling office work, preparing meals, and transporting students, the staff took care of the building and

grounds. At a time when schools in other states have closed because of financial difficulties, our school remained a steady rock under the leadership of the administration and staff.

A class prophecy

Ten years from now, when you pick up this annual, you will have access to at least 15 new electric appliances that don't even exist today!

Electrical innovations will "make the scene" (as we say in 1973) to benefit health, education, industry and our social lives. You'll also see in the next decade more electronic equipment to purify, filter, recycle and generally clean up America.

Electricity is doing a lot of things for you now. It's going to do a lot more tomorrow. Our prediction: Life will keep on getting better — electrically.
